Or, if you **prefer to donate by credit card**, visit

and click on "**Donate Now**." This will bring you to the partnership form. Complete the contact information parts of the form and then select one of the donation forms:

- I would like to make a one-time donation.

- * I would like to make a monthly financial commitment for 12 months.

After you select your donation type(s), click the "**Submit**" button to continue with your online donation. For one-time and monthly financial donations, you will need to specify the amount on a Donation Information page. If you wish to receive a reminder email for monthly commitments, you can click a checkbox that states "**Send me an email reminder monthly**." Monthly notification emails provide a "**Quick Donate**" link to simplify future monthly donations.

After you complete the amount and payment notification details, click "**Submit**" and you will be routed to the payment method screen. Then click the "**Pay Online**" link to continue paying online.

You will then be routed to the Pay-Pal website, which processes the online donations. You will have the option to pay directly by credit or debit card, or if you have a Pay-Pal account, you can log into Pay-Pal and transfer funds from your account to complete the donation.
